

AFROTC Physical Fitness Assessment Form

This form is used to assess the physical fitness of AFROTC cadets.

The assessment includes:

- Push-ups (maximum in 1 minute)
- Sit-ups (maximum in 1 minute)
- 1.5 mile run (timed)
- Body composition measurement

Cadets must meet minimum standards to remain in the program.

This form should be completed by a certified fitness instructor.

Results are confidential and used for program evaluation only.
